Learn

How community feedback helps to develop CAP strategies.

Understand how the CAP will influence local policies, infrastructure, and climate resilience and mitigation efforts.

Engage

Discuss localized climate change impacts and connect with community members and the project team to ensure your voice is heard.

Act

Discover practical steps your community can take to make a positive impact.

All meetings will be held from 6:00 pm to 7:30 pm at the following dates and locations:

4/22	Christ Church La Plata Parish Hall
4/24	Benedict Volunteer Fire Department
4/29	Waldorf West Library
5/1	Indian Head Village Green Pavilion
5/6	Nanjemoy Community Center
5/8	Newburg Volunteer Fire Department
